LES MOULINS MAHJOUB

Tunisia

CERTIFIED ORGANIC

First Tunisian Organic Company Award, 2010

SENSORY PROFILE

Cultivated since ancient times, with origins in the Southern Mediterranean, artichokes are celebrated in Tunisia and beyond. Carefully preserved in extra virgin olive oil, these meaty artichoke bottoms of the local variety “Violette” are wonderful as antipasti or in a variety of preparations from salads to stuffings, and delicious in soups and pastas. Harvested from mid-February to mid-May, in a festival-like atmosphere, artichokes are an important staple of the Mediterranean cuisine and can still be found growing wild.

TRADITION

The Mahjoub family farms the soil in the lush Mejerda Valley of Tunisia, located on the southern shores of the Mediterranean. It is here that they produce handcrafted products under the Les Moulins Mahjoub label and are known for their steadfast commitment to artisan standards and sustainable farming. The Mahjoub family is recognized in the culinary world as one of the premier producers of extra virgin olive oils, table olives, and condiments.
