Fresh, oceanic flavors with just the right amount of bright acid and olive oil characterize Trikalinos marinated sardines. A premium quality delicacy of boneless and skinned Greek sardine (*Sardina pilchardus*) fillets marinated in the best fresh mediterranean ingredients and packaged in a mixture of sunflower and extra virgin oil. Lightly salted with a meaty texture, no preservatives, no additives and no chemical processing make these Greek sardines unique.

A wonderful accompaniment to ouzo, raki or vodka. Add to salad, pasta, pizza or a seafood sauce.

These sardines are from Kavala (northern Greece), Chalkida Island and Mytilene Island.

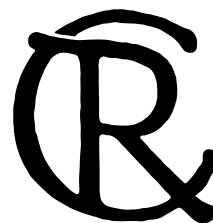

Ingredients: sardine fillets, sunflower oil, extra virgin olive oil, lemon dressing, salt.

TRADITION

The Trikalinos family known for its production of Bottarga began production in 1856. The family's 100-plus years of experience with the sea and fish is evident in this delicious treatment of nutrient rich sardines.
