SENSORY PROFILE

Cascina Fiume's Cherries in Freisa di Chieri is a bold, deeply flavored preserve where ripe cherries and the dry, tannic character of this traditional Piedmontese wine create a natural partnership. The aroma is rich and dark — ripe fruit and earthy wine notes intertwined. On the palate, the cherries are plump and intense, their natural tartness beautifully framed by the wine's structure and subtle tannins.

INGREDIENTS

Cherries, sugar, water, Freisa di Chieri DOC wine (contains sulfites)

TRADITION

Cascina Fiume is a family-owned farm in Piedmont, dedicated to preserving the region's agricultural heritage through a diverse range of crops and livestock. In addition to cultivating four distinctive varieties of Carmagnola peppers, including the Slow Food Presidio-certified Corno di Carmagnola, the farm grows a variety of fruits and vegetables, all nurtured with a strong commitment to quality. Since 2000, Cascina Fiume has been a registered member of the Consorzio di Tutela del Peperone di Carmagnola, which ensures the protection and quality of these regional products. Since 2002, they have been processing their produce into traditional items like roasted vegetables, pickled goods, and other preserved specialties, all using natural preservation methods. Cascina Fiume's dedication to sustainable farming extends across all of their offerings, ensuring that every product is free from preservatives and crafted with the utmost care and attention to detail.
